

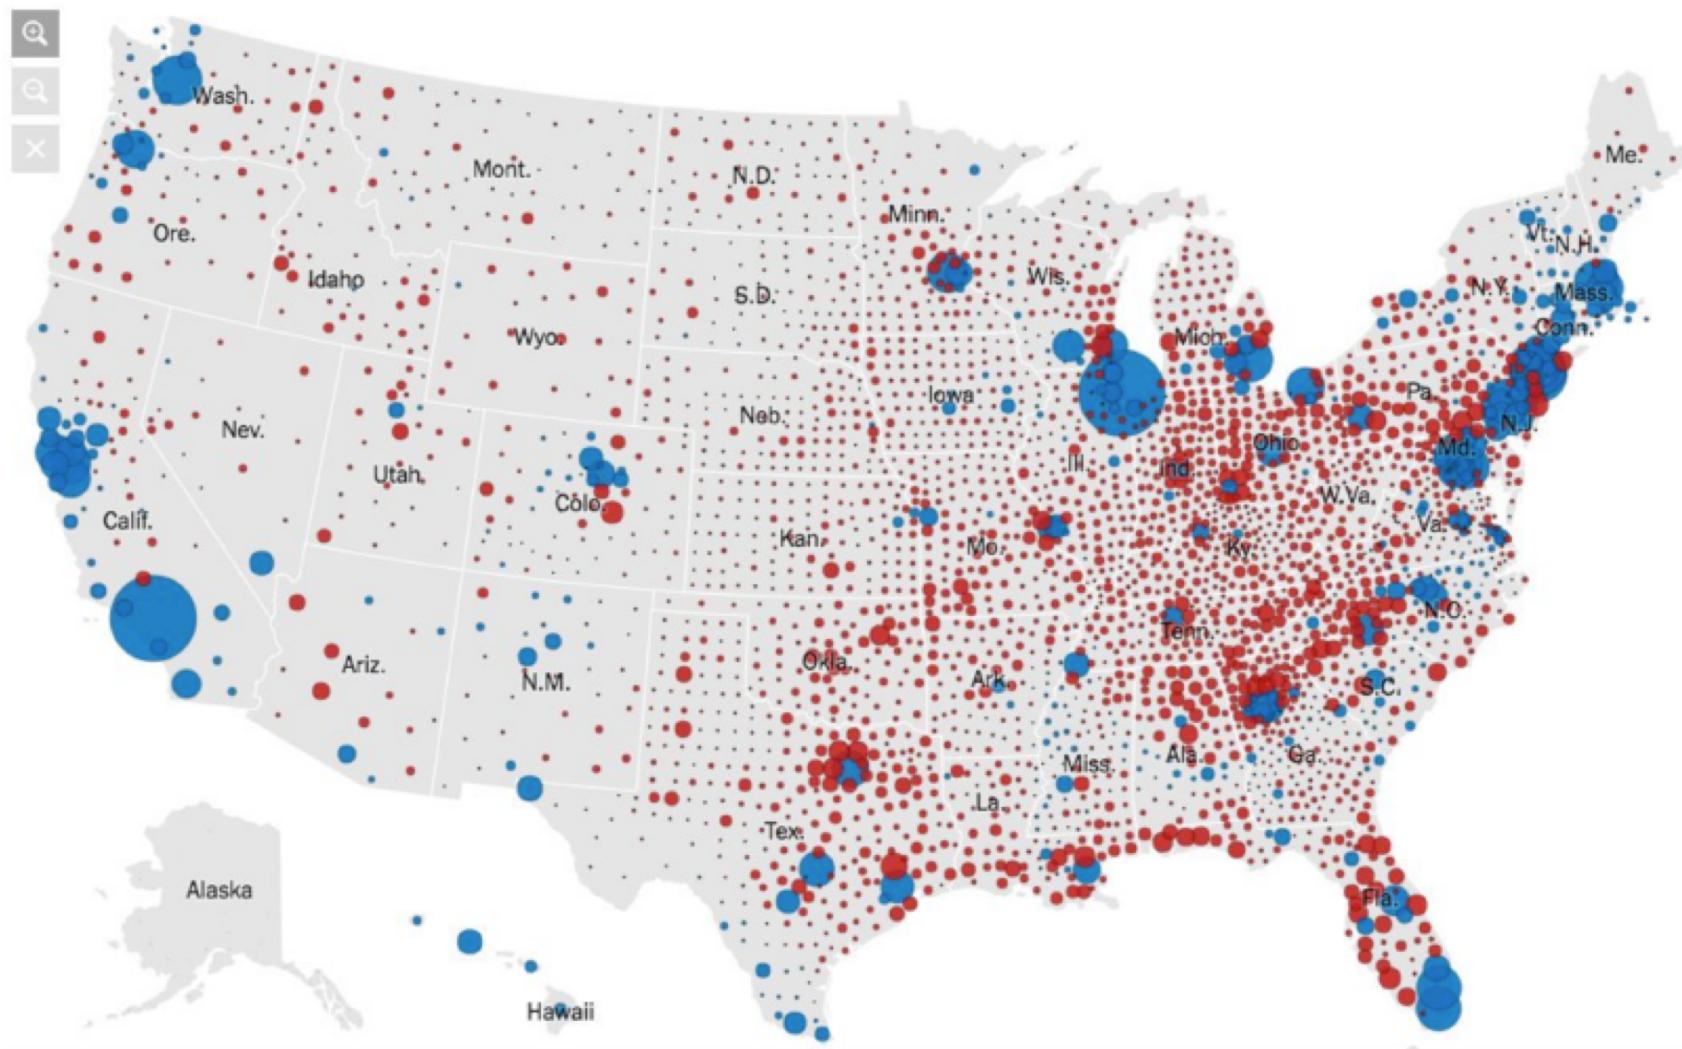

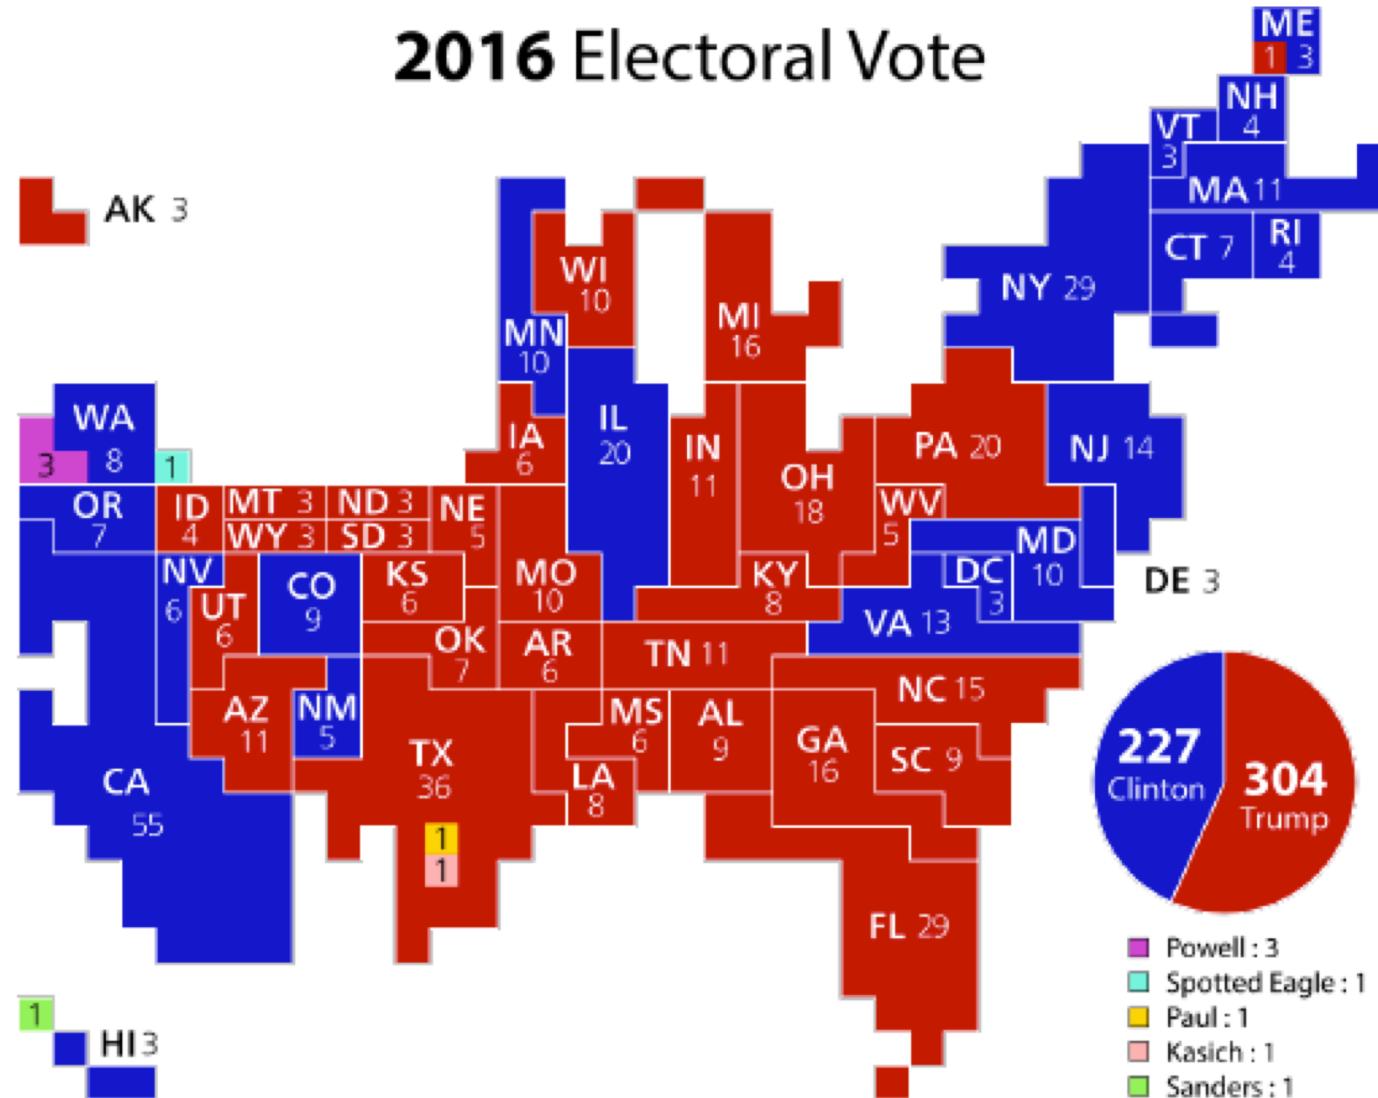

Graphical Integrity: What's wrong?

Graphical Integrity: ~~What's wrong?~~ Real Story

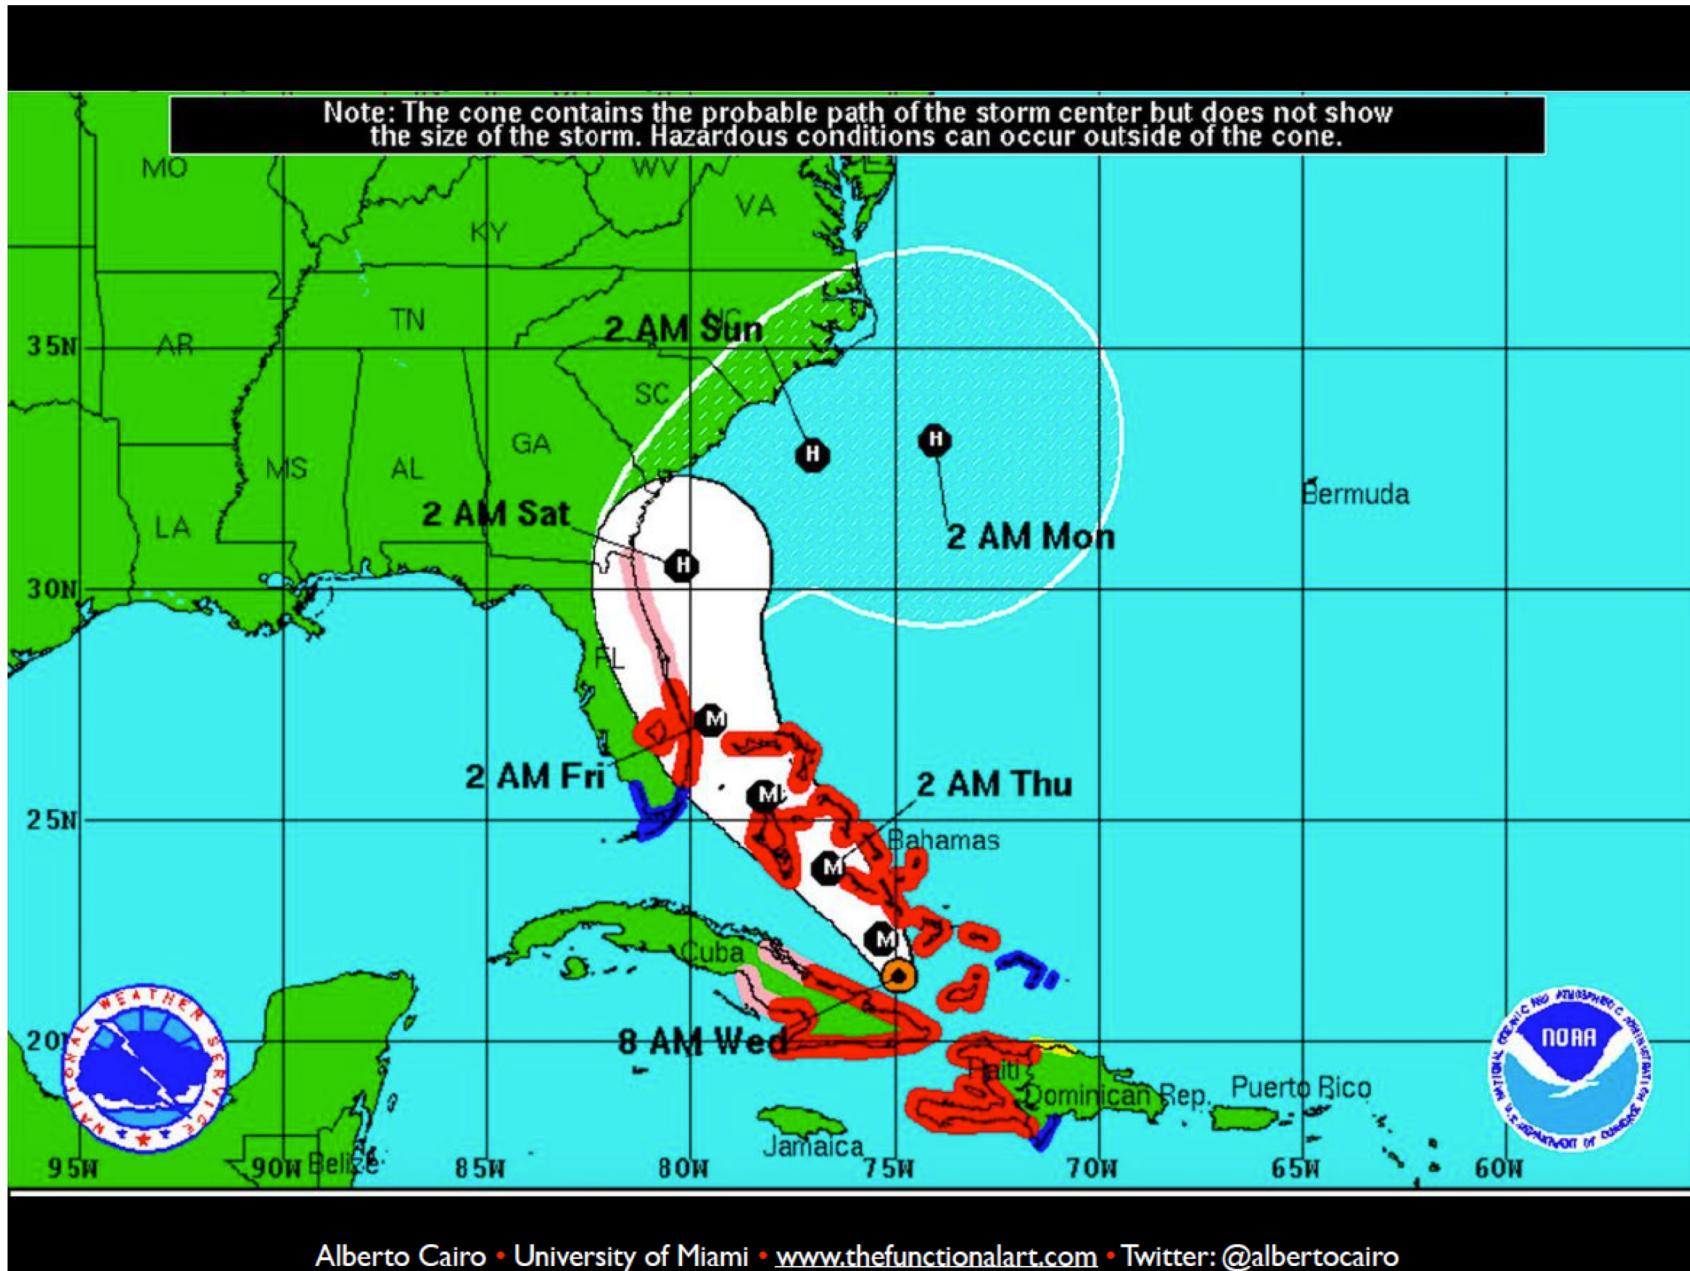

Graphical Integrity: What's wrong?

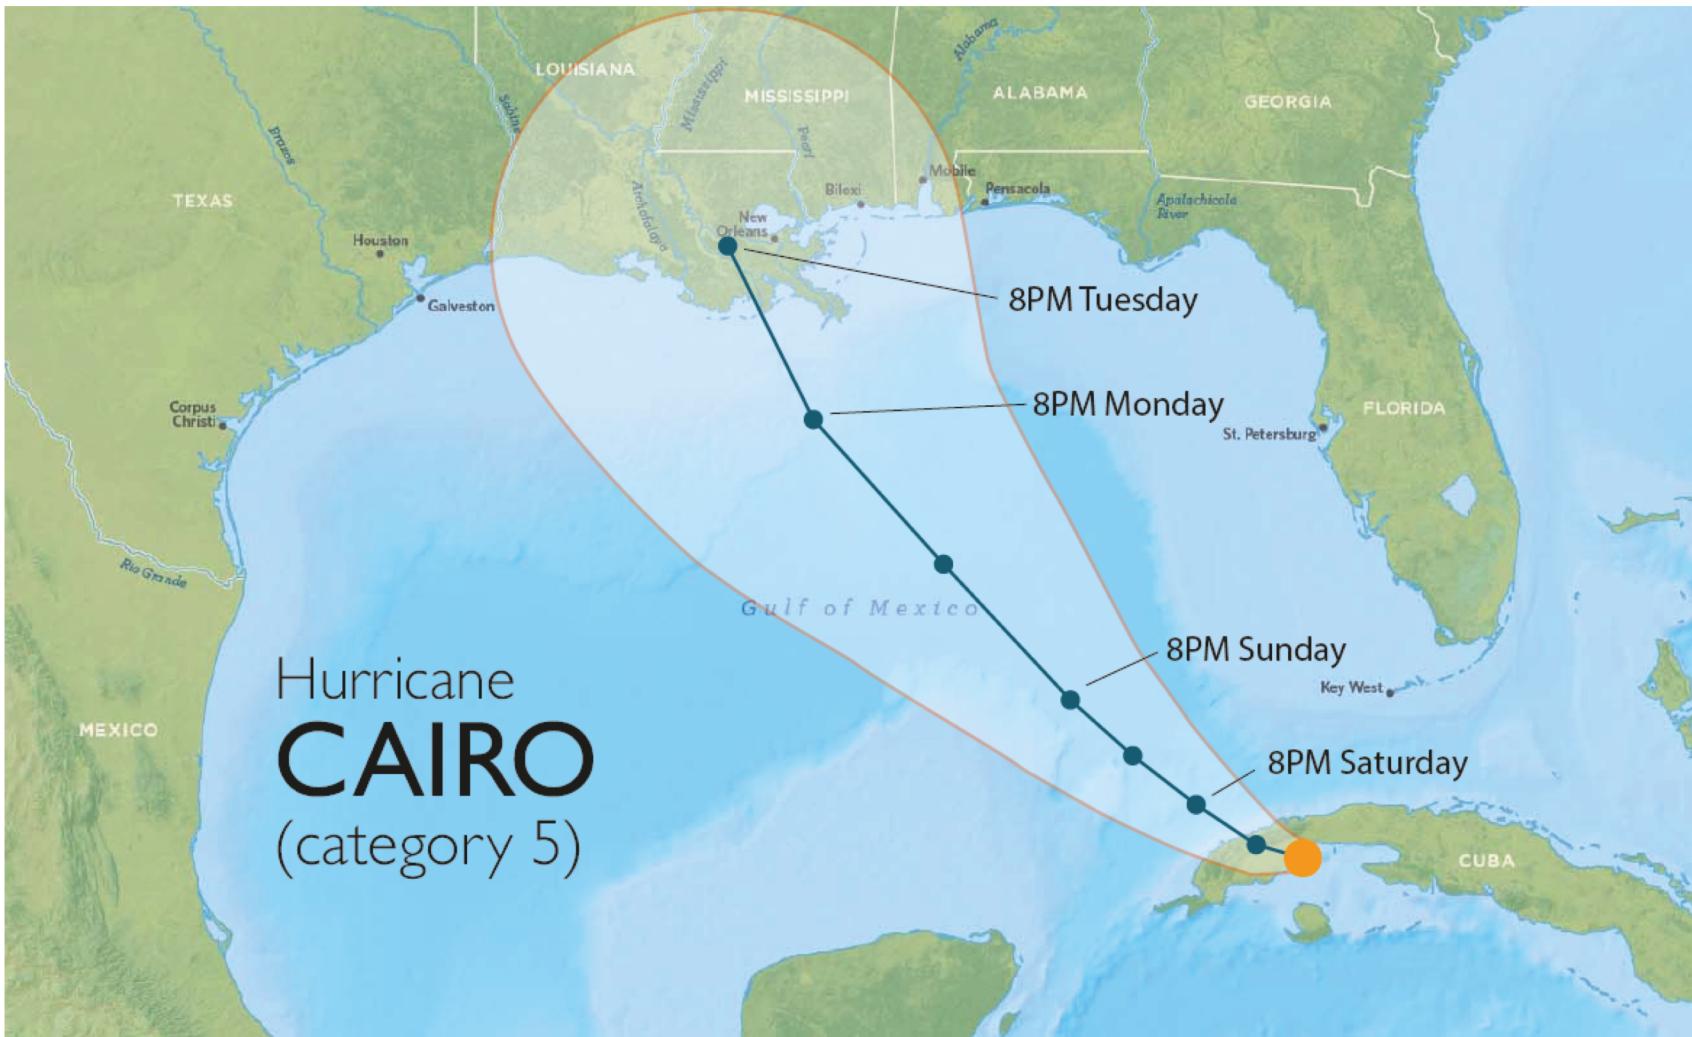

Lesson: be proportional

Graphical Integrity: What's wrong?

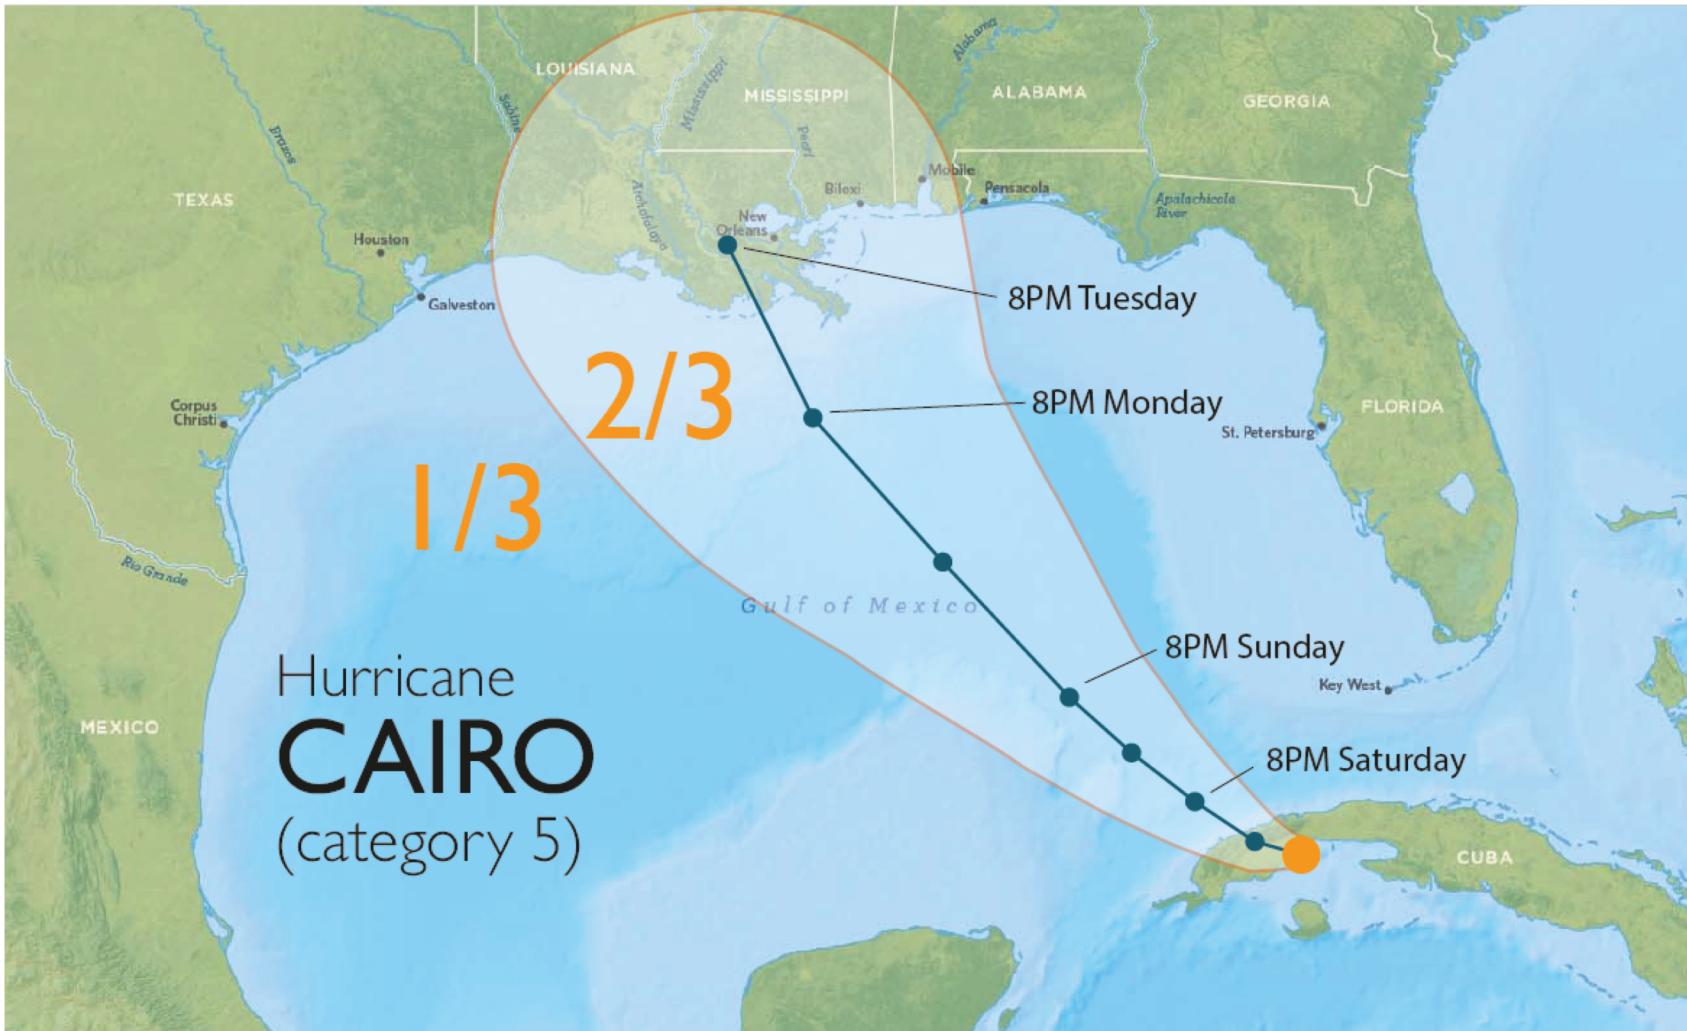

Graphical Integrity: What's wrong?

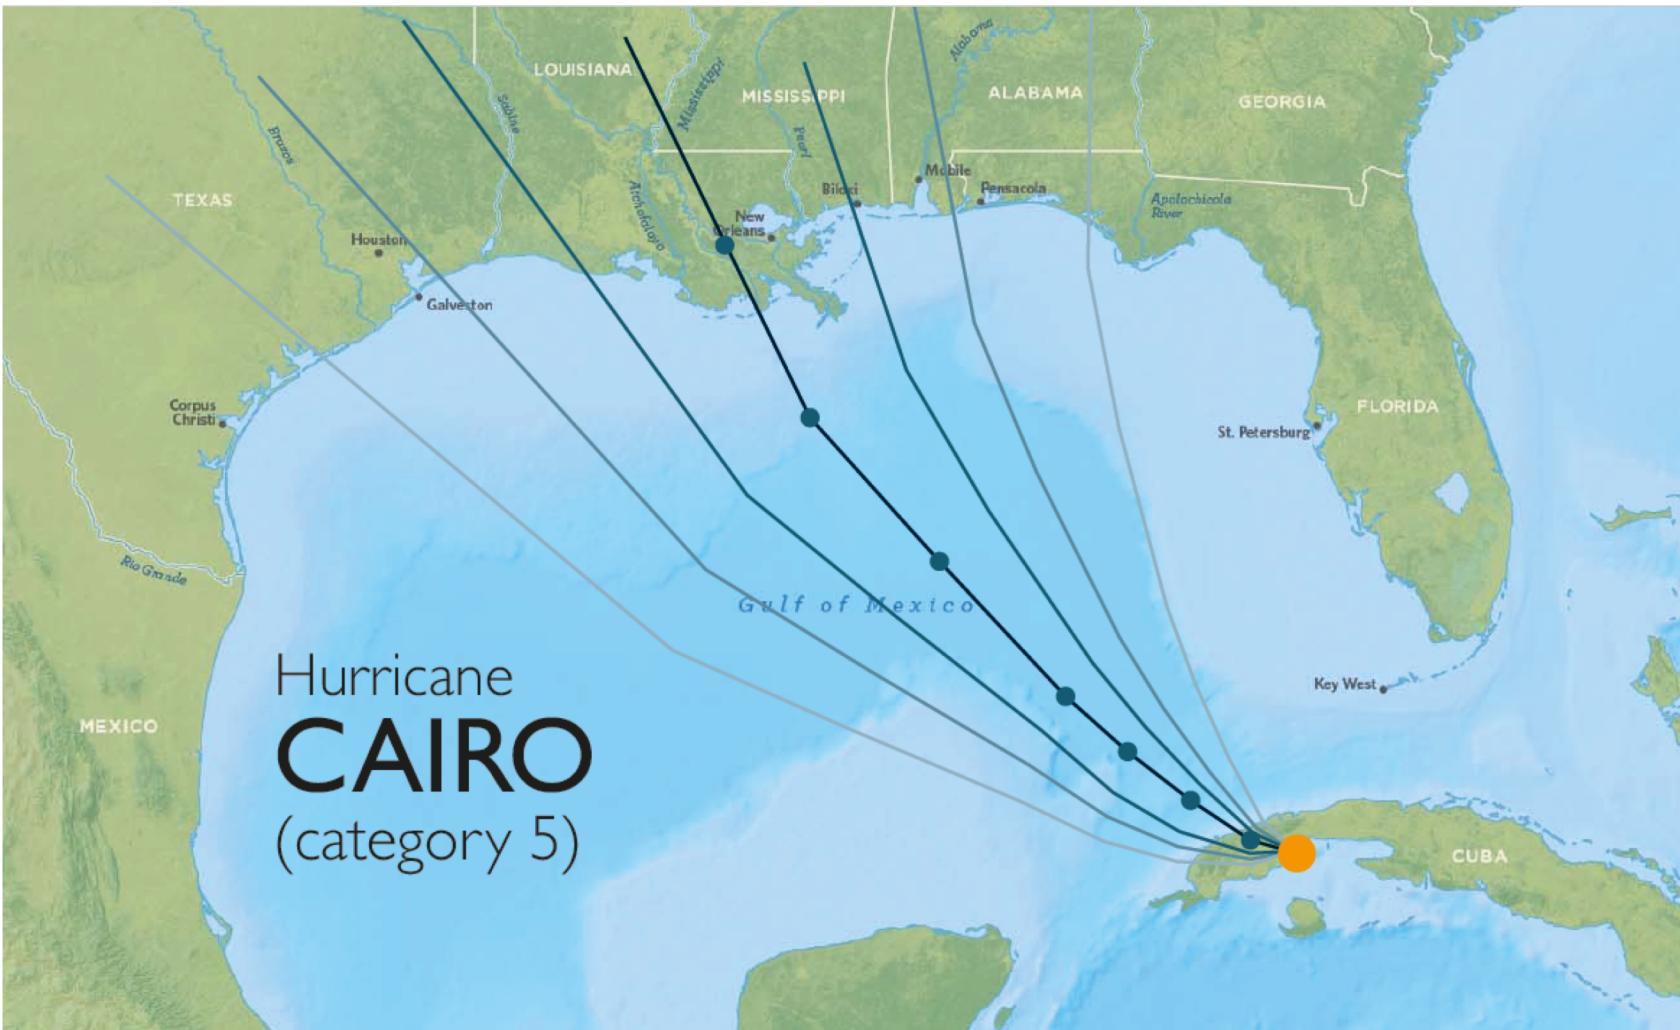

What you show

Graphical Integrity: What's wrong?

What non-scientists are not aware of (cone is just 66% probability)

Graphical Integrity: What's wrong?

What we could be showing instead

Graphical Integrity: What's wrong?

Lesson II: include uncertainty when possible
